

Rick Meitzler Appointment

Release date: January 9th, 2018 • Embargo date: immediate release

Rick Meitzler appointed to the Indian Gaming Magazine Advisory Board for 2018

Indian Gaming Magazine has approved Rick Meitzler, President and CEO of NOVOMATIC Americas, to bring his specific global perspectives to its 2018 Advisory Board.

Indian Gaming Magazine's growing readership community and global expansion continues to influence the future and direction of the magazine by adding new and influential members to its Advisory Board. These individuals are selected for their deep expertise and broad experience in global gaming business and governance, as well as being key influencers and supporters within the Tribal Gaming community.

Meitzler is the key to NOVOMATIC Americas' deliberate and steady growth in the Tribal Gaming segment, creating collaborative relationships with Tribal partners to creatively launch new and successful gaming entertainment products. On December 18, 2017, NOVOMATIC's RAINMAKER ETG STADIUM successfully launched at FOXWOODS® Resort Casino, featuring the NOVOMATIC Executive SL™ cabinet and the ultimate comfort player space experience.

"It is an honor to be selected to participate on this Advisory Board with Steve Burke and the Indian Gaming Magazine family. I have the utmost respect for how Indian Gaming Magazine continues to innovate and support our Tribal Gaming partners. It is their driving principle and we are aligned with that goal," commented Rick Meitzler on his appointment.

All board members are selected to fill an undisclosed term – Meitzler's term will begin on January 1, 2018.

About NOVOMATIC

The NOVOMATIC Group is one of the biggest international producers and operators of gaming technologies and employs around 25,000 staff worldwide. Founded by entrepreneur Professor Johann F. Graf in 1980, the Group has locations in 45 countries and exports high-tech electronic gaming equipment and solutions to more than 70 countries. The Group operates more than 260,000 gaming terminals and video lottery terminals (VLTs) in its some 2,100 plus gaming operations as well as via rental concepts.

Through its numerous international subsidiaries, the NOVOMATIC Group is fully active in all segments of the gaming industry and thus offers a diversified Omni-channel product portfolio to its partners and clients around the world. This product range includes land based gaming products and services, management systems and cash management, online/mobile and social gaming solutions as well as lottery and sports betting solutions together with a range of sophisticated ancillary products and services.
